OHIO
REPUBLICAN PARTY

SAYS
VOTE
YES
— ★ **FOR** ★ —

PHOTO ID

Yes on Issue 3!

WHAT IS **ISSUE 3?**

- It is a common sense provision that puts a photo ID requirement for voting into our state constitution
- By being in the constitution, future governments cannot strip this basic legal protection from our laws
- Ohio needs to make this a permanent part of Ohio law
- Photo IDs are needed for almost every basic task in our society and showing an ID to vote is just common sense
